

# Stage #2

## "No Limit"

### Stage Procedure:

The shooter stands in SB1 or SB2 facing the targets in a surrender position. On the start signal, the shooter draws and places one round on P1 and P2 from SB1 and P3 and P4 from SB2 in any order. The shooter then engages the Stop Plate with one round from either shooting box. You may start in either SB1 or SB2. You must choose each shooting box as your starting box at least once. The plates may be engaged in any order except the stop plate must be engaged last. Failure to hit the stop plate will result in 60 seconds being added to your accrued string time.
